

Each summer, LUCHA Ministries helps Spanish-speaking immigrant families with school supplies. LUCHA works with parents and students to accumulate the tools they need to begin the year, reviewing each individual list and working with students from over 25 different schools. In partnership with LUCHA Ministries, we invite churches and individuals to participate in the **MISSION BOOKS** Project by filling a Draw String Book Bag/Sportpack with the items listed below. These supplies will be delivered by volunteers in August 2012.
